

AWMS-HXB

Heavy Duty Single Display Desk Mount

The AWM-HXB desk mount is designed to support loads of up to 16kg. Bigger, heavier screens—including curved monitors and all-in-one PCs—are easily accommodated with this brilliantly designed solution.

Interactive desk mounting solutions

control via 3 points of articulation

Tension indicator

to assist with multiple installations

Material

100% recyclable, lightweight yet durable aluminium

Arm rotation stopper

Built-in 180° rotation stopper to prevent interference with walls or desk partitions

10 year warranty

AWM modular mounting family

Desk fixing options (sold separately)

Desk clamp AWM-FH

Dual steel plate design for extra strength and stability. Fits desks up to 68mm in thickness.

Grommet clamp AC-GC

Can be used as a bolt through or grommet hole mounting option. The plate provides extra stability for heavy loads.

C-clamp AWM-FC

Suited to desks with potential to interfere with the elements under the desk such as cable cages. Suitable for desks up to 33mm.

Accessories

The display mounting head can be replaced with the AWM-RL dual crossbar to accommodate two monitors. The arm can be also attached to any AWM post via AWM-LC channel clamp.

Dual display crossbar accessory AWM-RL

Channel clamp AWM-LC

Ordering AWMS-HXB desk mount:

AWMS-HXB consists of the following parts:

1 x AWM-AHX dynamic arm
