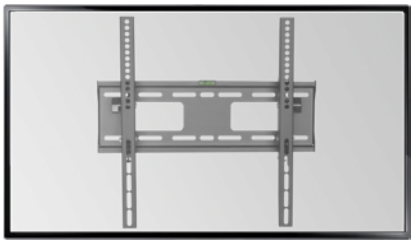
Meeting & VC rooms

Display and media device mounts

ATDEC Infinite Mounting Possibilities

Collaboration rooms
with small displays

Meeting room displays less than ~60” have limited space at rear. Fix connectivity devices under local tables on a hinged media panel for neatness & safety. The media panel detaches from the mounting bracket for local or remote device maintenance.



Suggested device mount

Hinged media panel AD-AC-PH
- Closes & secures under desk
- Hinged panel unlatches & removes
- Mounting space: 394x268mm² (15.5x10.6”²)

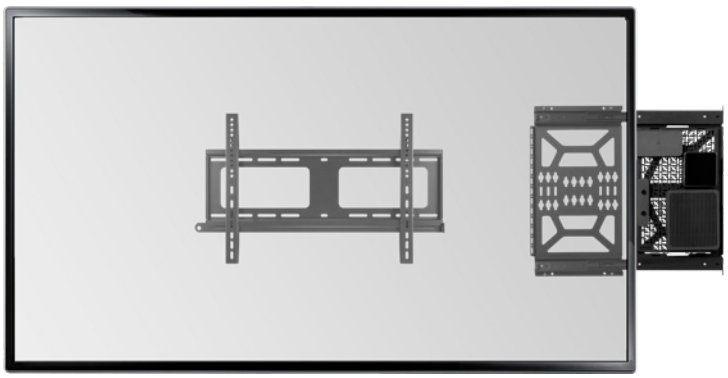
Selected low profile wall mounts

Code	Capacity	VESA
AD-30100-WF	30kg (66lb)	75x75 100x100
TH-2250-VF	50kg (110lb)	to 200x200
AD-WF-5040	50kg (110lb)	100x100 to 400x400

Meeting rooms

with displays larger than ~60”

Medium and large meeting rooms with single or dual wall mounted displays can typically connect a sliding media panel at the display rear. Media panel detaches from slide mount for device management.



Suggested device mount

Sliding media panel AD-AC-PS

- Panel slides in behind display
- Slide & detach panel
- Mounting space: 420x273mm² (16.5x10.7”²)

Selected rear-space wall mounts

Code	Capacity	VESA
AD-WT-5040	50kg (110lb)	to 400x400
AD-WT-5060	50kg (110lb)	to 600x400
AD-WT-8060	80kg (176lb)	to 600x400

Mobile cart
video conferencing

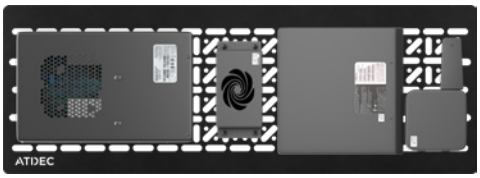
Mobile VC carts are versatile for large and small meeting areas. Attach connectivity devices to a rear-mounted media panel to ensure device security and work safety.

Suggested device mount

Utility panel AC-AP-4612
- Mounting space: 490x174mm² (19.3x8.65”²)

Selected TV/AV Carts

Code	Display	
	Capacity	Size
AD-TVC-45	45kg (99lb)	32” to 65”
AD-TVC-70A	70kg (154lb)	32” to 70”
AD-TVC-75	75kg (165lb)	50” to 80”
ADB cart	100kg (220lb)	to 100”



Direct mount utility panels suit carts & modular ADB solutions

Large custom
meeting spaces

Large scale or complex meeting room and auditorium AV systems are easily handled with our media panels and modular mounting range. No challenge is too large or unusual.

Suggested device mounts

Sliding media panel AD-AC-PS
- Secure to vertical surfaces & rails

Hinged media panel AD-AC-PH
- Secure beneath horizontal surfaces
- Accomodates unlimited device depth
- Double the panel capacity by mounting devices inside & outside

Both panels detach for device maintenance.

Example modular display mounts

Display & device mounts available with security features for shared & heavily trafficked spaces.

Media panels

For all VC & meeting rooms

Many meeting rooms & VC suites have unsecured connectivity & media devices. Loose devices can be damaged and pose a workplace safety issue.

Our media panels provide a solution for every style of meeting room & VC setup. Imagined, designed & manufactured by Atdec.

NEAT & TIDY

Store connectivity devices out of sight to eliminate unnecessary clutter and elevate workspace ambiance. Helps avoid trip hazards.

SAFE & SECURE

Media panels secure connectivity devices away from potential damage, and offer different methods of locking for physical security.

INSTALLER FRIENDLY

Detachable media panels allow device assembly, maintenance, or replacement remotely – and in comfortable circumstances.
