Ora	4
Interactive desk mounts	6
Accessories & components price list	19
Set & forget mounts	20

## Terms of Trade

### Pricing:

- All pricing in GBP or EUR, ex works ex warehouse UK. Prices do not include VAT, freight, or duties and taxes.
- Please contact your Business Development Manager for any project enquiries.
- For POs received before new price effective date, where the product is requested for delivery after the new price effective date, new pricing will apply.
- POs received prior to new price effective date for which Atdec quotes delivery after new price effective date will be at pre-increase pricing.

### Payment terms:

- Payment terms are 30 days net from date of invoice for Account holders.
- Pre-payment for non account holders.

### Product availability, development, and warranty:

- Not all products are guaranteed to be in stock. Lead time will be advised for any out-of-stock lines.
- Where AWM solutions will be packed as components, components products are listed.
- Due to continuing product development, the manufacturer reserves the right to alter specifications without notice. For latest product information please refer to the Atdec website or contact us directly.
- All products are covered under Atdec's warranty policy ([atdec.co.uk/support/warranty-policy](https://atdec.co.uk/support/warranty-policy)).

### Orders:

- All orders are to be placed in writing to [sales@atdec.co.uk](mailto:sales@atdec.co.uk).
- Orders will not proceed if there is a pricing discrepancy, a revised PO or written approval of price change is required for order to proceed.
- Orders are processed Monday to Friday, for PM despatch and delivery from the next working day.
- Order collect/pickup - Atdec will contact the customer when the order is available for collection.

### Delivery:

- Freight is applicable on shipments and will be quoted on request.
- Freight will be itemised separately when invoiced.
- Shipments will depart from Bromford, Birmingham UK
- Shipments outside of UK may incur duty & taxes customs charges which will be billed directly between client & carrier.

### Cancellations:

- If an order has already been dispatched a 20% charge may be applicable.
- An invoice will be generated & issued to client listing cancellation fees if applicable.
- Freight is non-refundable.

### Returns:

- All returns must be approved by Atdec in writing. Email: [sales@atdec.co.uk](mailto:sales@atdec.co.uk).
- A returns authorisation (RMA number) must be obtained for approved returns. Goods without an Atdec RMA number will be rejected by the warehouse.
- Product must be in a saleable condition for a refund to be issued.
- Freight is non-refundable.
- Returns may incur up to a 25% re-stocking fee.

# Ora

## Designed for curved, perfect for flat

- Easiest installation
- Fastest deployment at scale

# Popular pre-configured wall mount solutions

## Dynamic wall mount on short wall channel

### AWMS-DW6

Consists of:  
1 x AWM-ADTC dynamic arm & clamp  
1 x AWM-W6 short wall channel

-  Up to 34"
-  8kg flat & curved
-  VESA 75x75, 100x100

## Heavy duty dynamic wall mount

### AWMS-HXW

Consists of:  
1 x AWM-LTHT VESA head  
1 x AWM-AHX Heavy duty dynamic arm  
1 x AWM-W single wall bracket

-  Up to 49"
-  16kg flat, 12kg curved
-  VESA 75x75, 100x100

## How to order:

Pick your solution   specify finish   i.e. AWMS-HXW-S (Heavy duty wall mount in silver)		
Ordering code	Finish	RRP
AWMS-DW6	-S (silver)	£139
	-B (black)	£139
	-W (white)	£139
AWMS-HXW	-S (silver)	£282
	-B (black)	£282
	-W (white)	£282

\* Maximum weight is per display

## Universal tablet holder

### AC-AP-UTH

- Suits most 7" to 12" tablets with a maximum device height 255mm, width 140mm and thickness of 15mm

- VESA 75x75, 100x100

\* Not recommended for use with dynamic arms as most tablets are too light to meet minimum weight requirements.

## Mini PC mounting plate

### AC-MP

- 5kg
- Compatible with 75x75 and 100x100 VESA pattern-compliant mini PCs, as well as Intel® NUC units

## Bolt through fixing for Ora

### AW-FB

Bolt through fixing for Ora monitor arms. Compatible with 60-80mm grommet holes.

Desk thickness range: 0-55mm

## Notebook holder

### AWM-N

- Up to 18"

## AWM desk fixing options

Recommended desk fixing options are listed with pre-configured solutions. Other fixings may be available when evaluating specific project conditions. If you prefer a particular fixing type please contact Atdec.

### **Bolt through**

#### AWM-FB

Flexible mounting position with small hole through desk.

Desk thickness range: 0-33mm

#### **USE ME:**

- if desk attachment is not possible, eg bevel edged desk
- if happy to drill hole in desk

### **Grommet clamp**

#### AC-GC

Uses grommet hole. Generous cable management. Suitable for Ø60mm to Ø80mm grommet holes.

Desk thickness range: 18-36mm

#### **USE ME:**

- if a grommet hole is available

### **F-clamp**

#### AWM-FF

Traditional two-piece design that is often used for retrofit & thicker desk surfaces.

Desk thickness range: 0-79mm

#### **USE ME:**

- if a grommet hole is not available

### **C-clamp**

#### AWM-FC

Low profile under desk.

Desk thickness range: 18-33mm

#### **USE ME:**

- if other clamps will interfere with under-desk items, eg cable trays, devices
- if avoiding drilling holes in the desk

### **HD desk clamp**

#### AWM-FH

Dual steel plate design for extra strength & stability. Recommended for top heavy mounting configurations.

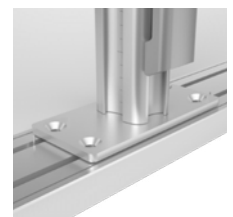

Desk thickness range: 0-68mm

#### **USE ME:**

- if a grommet hole is not available

### **Rail adapter**

#### Console desks

Mounting plate and fixings for technical furniture. Extremely stable.

Order codes: AC-AP-AX150, add AC-AP-AX150-KK for heavy duty.

#### **USE ME:**

- for consoles & desks with inset rails

### Wall fixing options

#### Single wall bracket

AWM-W

Single mount wall bracket for larger displays, all-in-one devices, or curved monitors. Ideal for control rooms, hospitality, education, hospitals. Commonly used with Heavy duty arm AWM-AHX.

#### 60mm wall channel

AWM-W6

Connect a single clamp with a wall, including with Atdec's slatwall adaptor AWM-WS. Use with all AWM arms except AWM-AHX. Suits low-profile workspace mounts, control rooms, and service areas.

#### 350mm wall channel

AWM-W35

Connect AWM arms to the wall with a 290mm vertical adjustment range. More than one arm may be mounted on this wall channel. Fast installation and tidy cable management.

Office, hybrid, & remote  
All sizes & configurations  
Infinite mounting possibilities
